ABOUT

Discover the motives behind project COCO here.

The Universe of a New Generation

Planet COCO is a story about the beginning of a new generation. New generation brings new lifestyle. We curate a creative lifestyle centering around art, creativity, and fashion culture.

Planet COCO is dedicated to serve as a platform where passionate minds meet, interact to share and visualize unique concepts, engage in activities, face challenges, create strange things with weird people as we seek new partnerships and move forth together into a globally recognized community brand: a hub for the creative soul.

It is in the heart of COCO to build through collective experiences. Surround yourself with like-minded creators as we build a spirited community by collaborating,

ABOUT

Building towards a Common Purpose

Everything about Planet COCO starts with the community. Our full☀time professional moderation team will be our friendly guide within the COCO community while we share cool ideas, listen to chill music, and make awesome friends.

The team will continue to assist in building a community worth staying, collaborating with various projects and individuals resonating in the Web2 and Web3 space, unveiling the creative possibilities lying under the shining rock.

We aim to build an open community where you can surround yourself with interesting design, ideas, and fashion. Connect with new people, share creativity, learn, and expand your artistic mind as we bring these best of imaginations to life together.

VISION

THE NARRATIVE

1 2 3

Storytelling is indispensable in expressing our creative spirit, and the on☆going tale of COCOs will serve as the backbone in all stages of the project. Our characters will be brought to life in various art forms, animations and much more mediums.

We will broaden our narrative and construct an innovative ecosystem where the community effectively experience the world of Planet COCO in its entirety.
